

DEVICES CERTIFIED FOR USE WITH CERNER MILLENNIUM

From industry-leading printers, scanners, and multifunction devices to groundbreaking solutions in digital radiography and eye care equipment, Canon has been helping healthcare professionals deliver outstanding care to their customers. This commitment to the healthcare industry has led to innovative solutions and the development of relationships with industry leaders. As a member of the Cerner Printer Certification Program, Canon builds on that foundation.

As part of their joint commitment to helping healthcare organizations provide the highest levels of patient care, Canon and Cerner are collaborating to certify select Canon devices for use in environments running *Cerner Millennium*.

With this certified compatibility, healthcare professionals can choose select Canon devices with confidence to deliver printed output with exceptional image quality and proven productivity in *Cerner Millennium* environments.

Each of the following Canon devices, listed on the back, has been tested and certified for use with *Cerner Millennium*. Cerner has developed *Millennium* drivers for certified Canon printers. The current list of Cerner certified printers is available to Cerner clients on Cerner's "Peripheral Pages" wiki space at wiki.ucern.com.

	Model	Max. Speed (Color/BW)*	Description
Mono-chrome Multi-function Laser Printers	imageCLASS MF6180dw▲/iSENSYS MF6180dw▲	35 ppm	With fast print and copy speeds of up to 35 pages per minute, this model combines print, copy, scan, and fax needs in one compact device. This wireless, black-and-white, laser multifunction printer is equipped with a broad range of features that can enhance productivity and improve workflows.
Mono-chrome Laser Printers	imageCLASS LBP6780dn/iSENSYS MF6780x	42 ppm	This model offers advanced features and high speeds for the needs of small/medium businesses. Large and expandable paper capacity, high-yield replacement cartridge, and high duty cycle, offices can get more done with less interruptions.
Color Laser Printers	Color imageCLASS LBP7780Cdn▲/iSENSYS LBP7780Cx▲	33 ppm	Equipped with a large, expandable paper capacity, automatic duplex printing, and high-yield replacement cartridges, this model helps increase productivity while helping to reduce cost.
Color Multifunction Systems	Color imageRUNNER LBP5480	33 ppm	This is a color desktop laser beam printer with output up to Legal-sized documents (Multipurpose Tray or optional second Cassette) for workgroup needs and comes standard with duplexing, PCL, Adobe® PostScript® 3, and Canon's UFR II printing technology.
	imageRUNNER ADVANCE C350iF/C350**/C350i**/C351iF**	36 ppm	As advanced, compact, color MFPs designed to help any organization reach higher productivity, these models deliver easy, efficient workflows and connectivity to mobile devices and cloud-based tools. With speeds of up to 26 to 36 pages per minute and smooth fleet integration, these devices can transition from single-function printers to advanced MDS solutions, without sacrificing space.
	imageRUNNER ADVANCE C250iF/C250**/C250i**	26 ppm	
	imageRUNNER ADVANCE C3330i/C3330**	30 ppm	imageRUNNER ADVANCE devices work seamlessly with Canon's solutions and services portfolio to streamline workflow and empower users. This Series offers small workgroups access to powerful information management solutions.
	imageRUNNER ADVANCE C3325i	25 ppm	
	imageRUNNER ADVANCE 3320i**	20 ppm	
	imageRUNNER ADVANCE C5255▲	55/51 ppm	Designed for busy workgroups that demand outstanding efficiency, this Series operates at speeds of up to 35 to 55 pages per minute.
	imageRUNNER ADVANCE C5250▲	50/45 ppm	
	imageRUNNER ADVANCE C5240▲	40/35 ppm	
	imageRUNNER ADVANCE C5235▲	35/30 ppm	
	imageRUNNER ADVANCE C5560i/5560**	60 ppm	Designed to improve productivity and deliver high-quality, color output for demanding environments. These intelligent systems provide an intuitive user experience and support Canon's holistic business solutions.
	imageRUNNER ADVANCE C5550i/5550**	50 ppm	
	imageRUNNER ADVANCE C5540i/5540**	40 ppm	
	imageRUNNER ADVANCE C5535i/5535**	35 ppm	
	imageRUNNER ADVANCE C2230▲/C2230i***▲	30/30 ppm	At up to 25 to 30 pages per minute, this Series offers seamless integration into an enterprise fleet and a multitude of resources for small/remote offices.
imageRUNNER ADVANCE C2225▲/C2225i***▲	25/25 ppm		
imageRUNNER C1030▲/C1030iF▲	22/30 ppm	These models are compact, digital, multifunction solutions for desktop use or in small places as a stand-alone solution for exceptional quality and performance.	
Monochrome Multifunction Systems	imageRUNNER LBP3580	42 ppm	This monochrome desktop laser beam printer delivers up to Legal-sized black-and-white documents for workgroup needs and comes standard with duplexing, PCL, Adobe PostScript 3, and Canon's UFR II printing technology.
	imageRUNNER 1435i/1435iF/1435P	37 ppm	A compact MFP supporting up to Legal-sized paper, this Series features a smart, comfortable design that fits on a desktop or in a centralized area, with optional paper cassette or cabinet for walk-up convenience.
	imageRUNNER ADVANCE 6275▲/6275i***▲	75 ppm	This Series is designed to transform workflow from a sequence of individual processes to an integrated flow of shared information. With amazing speed and streamlined features, these monochrome models rapidly print, copy, fax, scan, and distribute documents with precision and ease.
	imageRUNNER ADVANCE 6265▲/6265i***▲	65 ppm	
	imageRUNNER ADVANCE 6255▲/6255i***▲	55 ppm	With an impressive range of customizable, simple, streamlined features, this Series helps all to work smarter and faster. These digital monochrome models rapidly scan/print/copy/fax and distribute documents with professional quality and outstanding reliability.
	imageRUNNER ADVANCE 425i▲	51 ppm	
	imageRUNNER ADVANCE 4245▲	45 ppm	
	imageRUNNER ADVANCE 4235▲	35 ppm	
	imageRUNNER ADVANCE 4225▲	25 ppm	Designed to help any user complete tasks quickly and easily with speeds of up to 42 to 52 pages per minute, these models' advanced capabilities and small size help increase productivity and save space.
	imageRUNNER ADVANCE 500iF/500**/500i**	52 ppm	
	imageRUNNER ADVANCE 400iF/400**/400i**	42 ppm	
	imageRUNNER 2530	30 ppm	This black-and-white Series meets the needs of both small workgroups and corporate fleets. It delivers robust speed and color scanning plus performance and productivity in a configuration that fits your requirements.
imageRUNNER 2525	25 ppm		
imageRUNNER 1730/1730iF	32 ppm	Designed to meet the needs of workgroups, small to mid-size businesses, and large fleets alike, this Series is an ideal, compact, multifunction solution for medical practices, nursing stations, and administrative areas.	

* All print speeds are based on Letter-sized media.

** These models offered in the EU market.
